Society of Operations Engineers

SOE Awards

Celebrating engineering excellence

4 March 2027
World Engineering Day

Celebrating engineering excellence

Join us as we celebrate the 2027 SOE Awards, an opportunity to champion and recognise the people who keep our industry moving.

The SOE Awards recognise the achievements, dedication and contributions of our valued members, volunteers, professionals, businesses and partners across all sectors of the Society.

From emerging talent and established professionals to those who give their time to support others and organisations helping to advance the industry, the awards shine a light on the people and businesses making a difference.

Award categories

Professional Registration Awards

Celebrating professional registration achievements and the people who support progression across the profession.

Engineering Excellence Awards

Recognising outstanding technical expertise, innovation and impact across the engineering profession.

SOE Community and Service Awards

Celebrating the volunteers, leaders and regional communities that strengthen SOE and support its members.

SOE Honours

Recognising exceptional contributions and lasting service to SOE and the wider engineering profession.

An evening to remember

The 2027 SOE Awards will bring together engineering professionals and industry leaders for an evening of celebration, recognition and exceptional hospitality.

DRINKS RECEPTION
Welcome drinks and an opportunity to meet fellow professionals and industry peers.

THREE-COURSE DINNER
Enjoy a premium dining experience and a selection of drinks provided for each table.

LIVE MUSIC AND ENTERTAINMENT
Live musical entertainment throughout the evening and a dance floor to end the night.

AWARDS CEREMONY
A celebration of the individuals, businesses and volunteers making a difference across the engineering profession.

PHOTOGRAPHY AND VIDEOGRAPHY
The evening will be captured through professional photography and social media video content, and social media video content.

CHARITY RAFFLE
A prize-filled raffle featuring donated experiences, products and gifts from our Corporate Partners and supporting organisations.

Why partner with the SOE Awards?

By supporting the SOE Awards your organisation will help us recognise those who make a difference, celebrate the community at the heart of SOE and invest in a stronger future for engineering.

From our members and industry professionals to the businesses driving progress and the volunteers who give their time, knowledge and expertise to keep SOE thriving, every contribution plays a part in strengthening our Society and the wider profession.

We're recognising professional excellence, business achievement, volunteer dedication and the people who go above and beyond, and shining a spotlight on the individuals and organisations that make our Society what it is.

STRENGTHEN THE PROFESSION

Champion professional development, high standards and industry excellence.

CREATE LASTING IMPACT

Build a stronger engineering community through recognition, collaboration and shared success.

INSPIRE THE NEXT GENERATION

Showcase role models, encourage ambition and celebrate the future of engineering.

CELEBRATE ACHIEVEMENT

Recognise the outstanding contributions of people and organisations across our sectors including IRTE, BES, IPlantE and Environmental and Operations.

Headline Partner

£8,000

The Headline Partner package offers exclusive event recognition, prominent brand exposure across SOE channels, premium hospitality and opportunities to connect with influential voices across the industry.

Headline Partner Recognition

- Recognition as the **exclusive** Headline Partner of the 2027 SOE Awards
- Prominent recognition across relevant event and marketing content
- Prominent brand recognition on relevant event signage and awards materials

Marketing and Brand Exposure

- Premium logo placement and named as headline partner on 3 x A4 Awards ads in *Transport Engineer or Operations Engineer* to 8,000+ members
- 4 x SOE e-newsletters advertisements to 5,000+ readers
- Logo placement across relevant pre-event and post-event communications
- Recognition through SOE social media and PR activity relating to the Awards
- Acknowledgement in post-event thank-you communications

Event Participation and Brand Activation

- Five premium reserved seats at the Awards
- Opportunity to present Awards at the ceremony
- Networking opportunities with senior engineering professionals, industry leaders, regulators, business representatives, SOE members and other key stakeholders from across our engineering sectors
- Opportunity for a representative to address guests or show a video during the Awards
- Opportunity to bring up to 3 x banners, plus branded items or gift bags for guests
- Professional photography of the event supplied within one week

Partnership Support

- A dedicated SOE contact to coordinate the partnership and agreed benefits

Award Category Partner

£2,000 per category

The Category Partnership provides a focused opportunity to demonstrate your support for professional achievement while connecting your brand with the individuals and organisations recognised within your chosen category.

Category Recognition

- Recognition as the official partner of one 2027 SOE Awards category
- Association with a dedicated area of recognition celebrating excellence across the engineering profession
- Logo placement on relevant category presentation slides and awards materials

Marketing and Brand Exposure

- Logo placement on 3 x A4 Awards ads in *Transport Engineer* or *Operations Engineer* to 8,000+ members
- 1 x SOE e-newsletters advertisement to 5,000+ readers
- Logo placement in selected pre-event and post-event communications relating to the Awards
- Recognition through agreed SOE social media and PR activity
- Acknowledgement in relevant post-event thank-you communications

Event Participation and Brand Activation

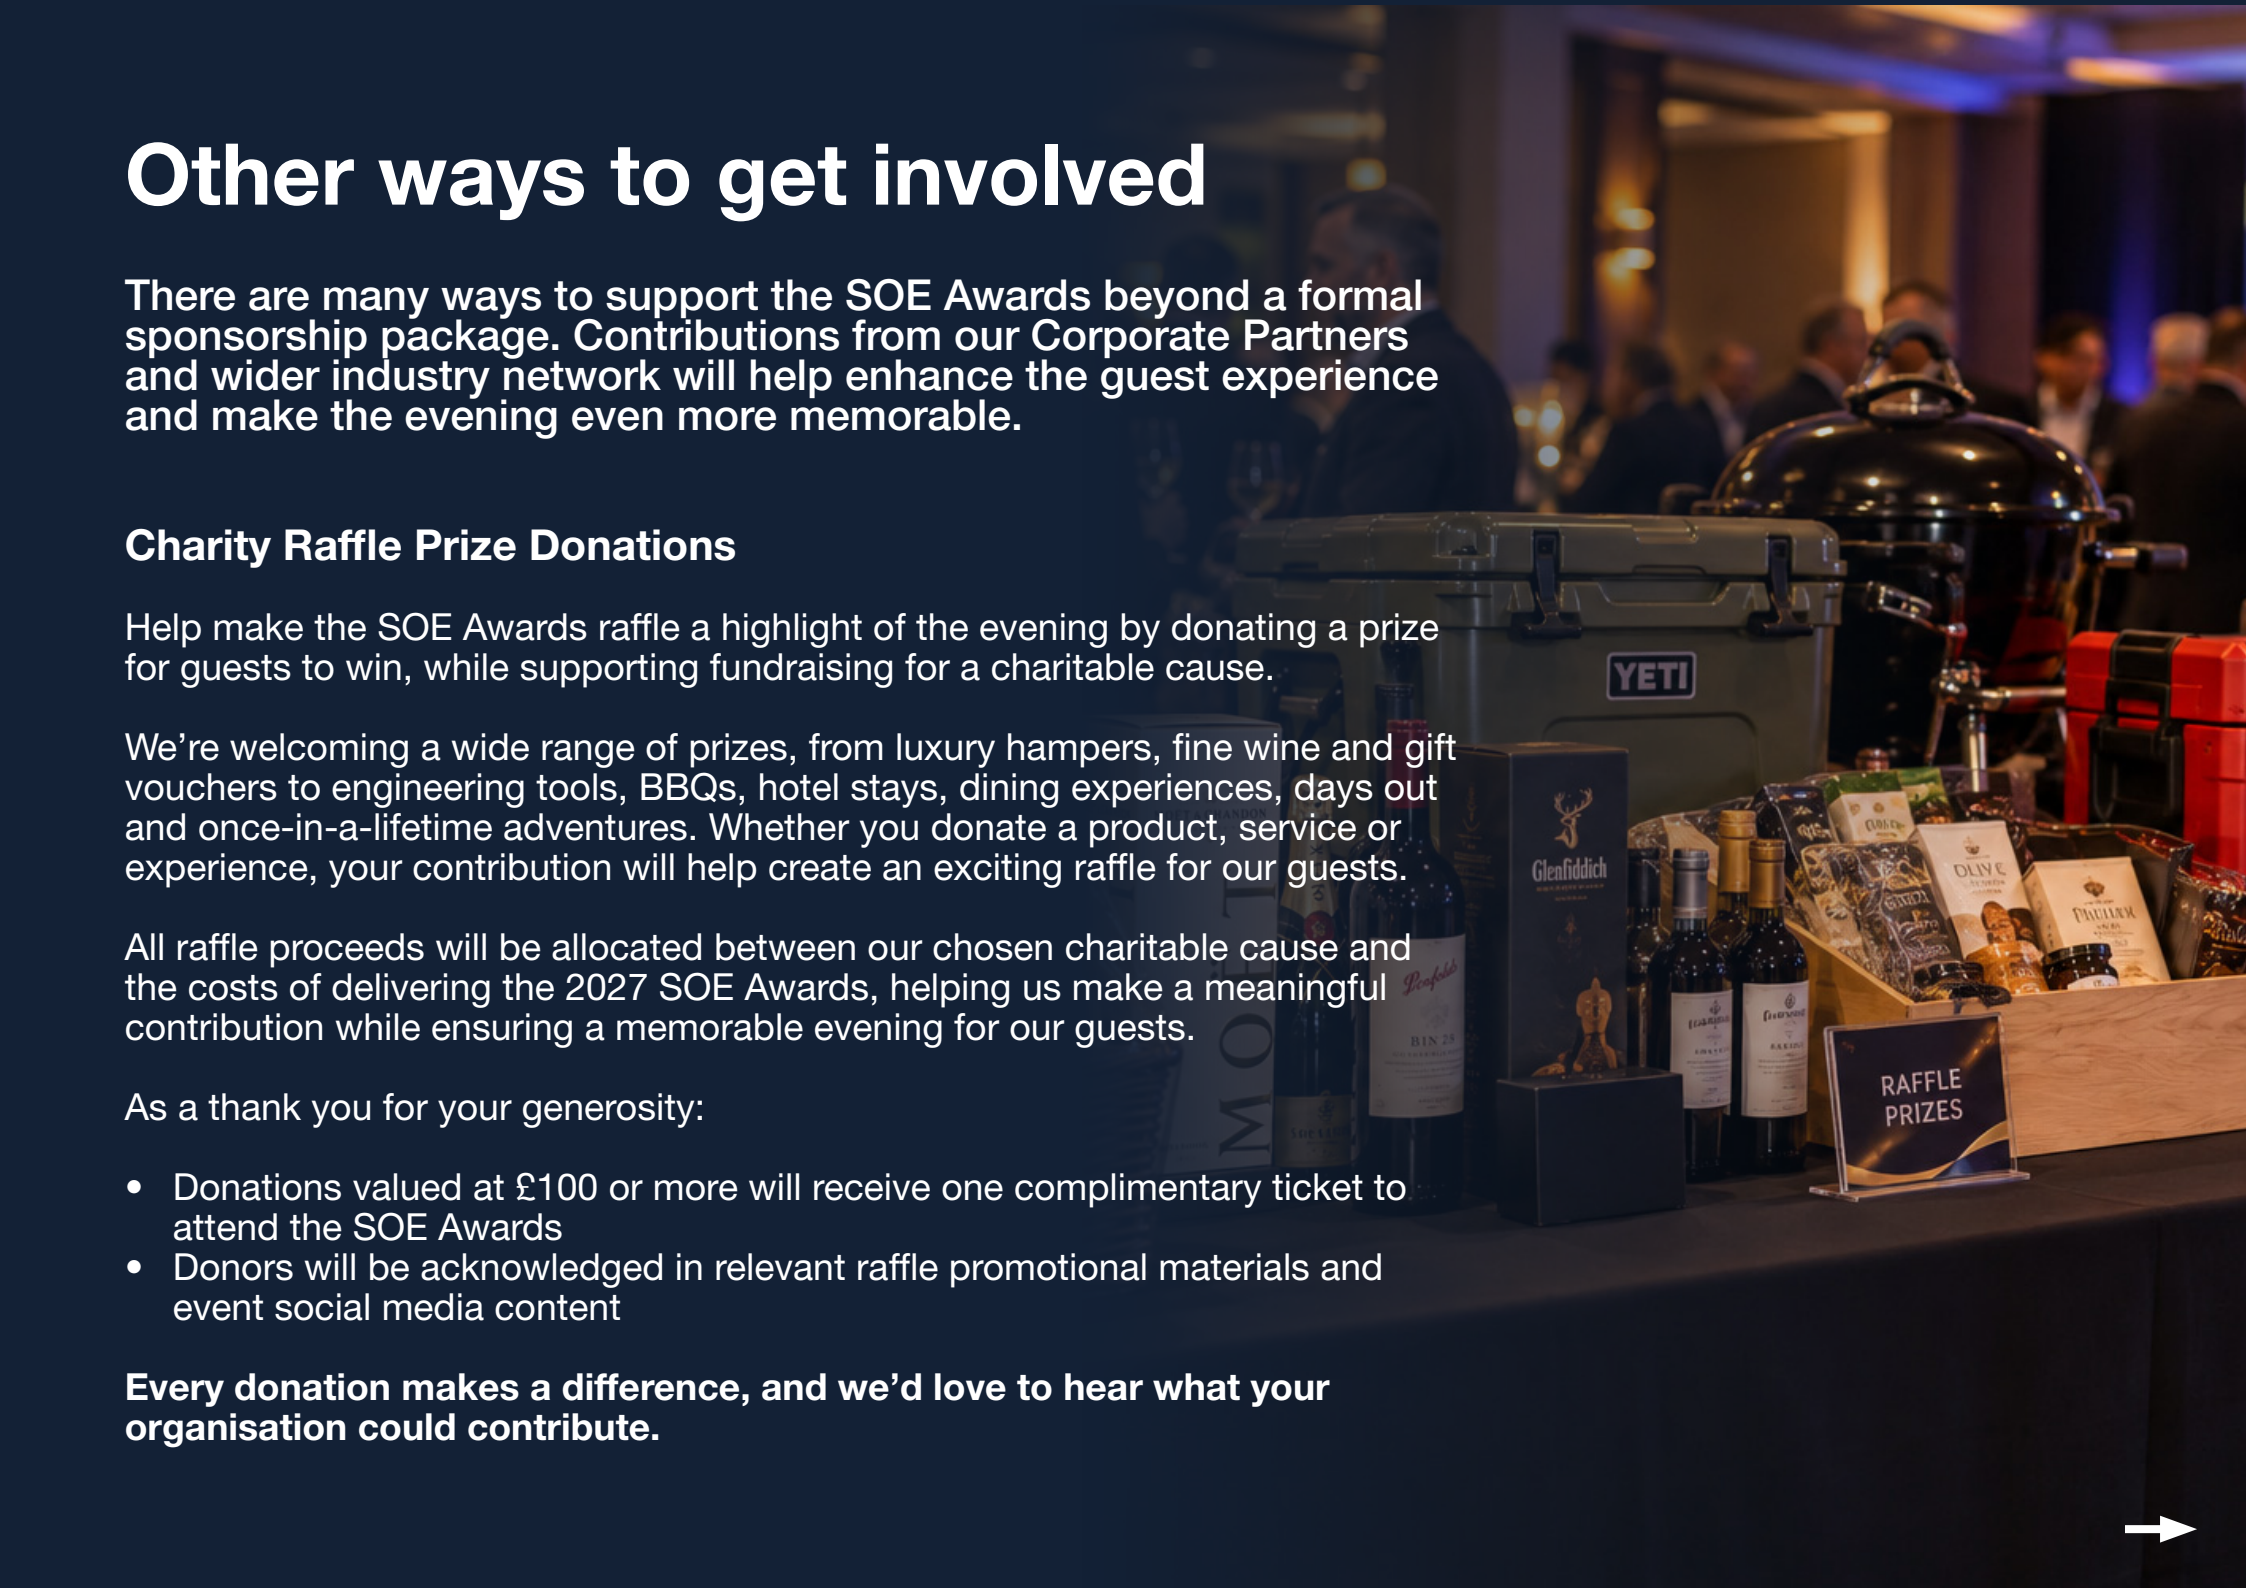

- Opportunity for a representative to present an award within the sponsored category
- Two reserved guest places at the Awards
- Networking opportunities with senior engineering professionals, industry leaders, regulators, business representatives, SOE members and other key stakeholders from across our engineering sectors
- 1 x pull up banner displayed at the Awards
- Professional photography of the event supplied within one week

Partnership Support

- A dedicated SOE contact to coordinate agreed partnership benefits

Other ways to get involved

There are many ways to support the SOE Awards beyond a formal sponsorship package. Contributions from our Corporate Partners and wider industry network will help enhance the guest experience and make the evening even more memorable.

Charity Raffle Prize Donations

Help make the SOE Awards raffle a highlight of the evening by donating a prize for guests to win, while supporting fundraising for a charitable cause.

We're welcoming a wide range of prizes, from luxury hampers, fine wine and gift vouchers to engineering tools, BBQs, hotel stays, dining experiences, days out and once-in-a-lifetime adventures. Whether you donate a product, service or experience, your contribution will help create an exciting raffle for our guests.

All raffle proceeds will be allocated between our chosen charitable cause and the costs of delivering the 2027 SOE Awards, helping us make a meaningful contribution while ensuring a memorable evening for our guests.

As a thank you for your generosity:

- Donations valued at £100 or more will receive one complimentary ticket to attend the SOE Awards
- Donors will be acknowledged in relevant raffle promotional materials and event social media content

Every donation makes a difference, and we'd love to hear what your organisation could contribute.

Partner with us

Join us in celebrating the people, businesses and organisations shaping the future of engineering.

Whether you're interested in becoming our Headline Partner, sponsoring an award category, contributing a prize or supporting the evening in another way, we'd love to hear from you.

Get in touch to discuss partnership opportunities and find out how your organisation can be part of this celebration of engineering excellence.
